INTERIOR DESIGNER WITH COMMERCIAL DESIGN EXPERIENCE & DIGITAL PRESENTATION SKILLS

EXPERIENCE

Interior Designer | Kimberlee Colvin Interiors (KCI)

APRIL 2012 – PRESENT

Collaborating on residential and multi-family development designs, from initial concepts and drawings, to presentations and specifications (FF&E), through construction documents, sourcing, and procurement, and into invoicing and installation. Projects include specifications for apartment and condo units and common areas, including lobbies, cafes, fitness centers, and sales offices, as well as model unit design & staging.

RECENT PROJECTS:

Rincon Green, 333 Harrison – San Francisco, CA

- FF&E selections for all interior spaces, including lobby, leasing office, fitness center, café, rooftop deck, and apartment units
- Model unit design, including layout, furniture and accessory selections, and installation

Avalon Campbell – Campbell, CA

- FF&E for all interior spaces, including lobby, leasing office, fitness center, and apartment units
- Model unit design, including layout, color palette, furniture and accessory selections, and installation

2655 Bush Street Development – San Francisco, CA

- Proposing FF&E for all interior spaces, including lobby, leasing office, fitness center, community room, and units
- Coordinating model unit design, including layout and furniture and accessory selections
